

# TOWN OF TUSAYAN

at the entrance to Grand Canyon National Park

---

March 3, 2022

Dear Petitioner:

In order to propose a referendum on legislation enacted by the Town Council of Tusayan, least 17 signatures from qualified electors are required.

There is a 30-day period after the passage of an ordinance or resolution not adopted as an emergency measure in which a referendum petition qualifies. Prior to gathering signatures, the enclosed application for serial number must be completed and filed with the clerk along with a Statement of Organization of the political action committee, which can be done via email at [tusyanclerk@tusayan-az.gov](mailto:tusyanclerk@tusayan-az.gov). Once the serial number is issued, it must appear on the lower right-hand side of the petition signature sheet. For additional information please review A.R.S. Title 19.

Thanks,

Logan Keel

Tusayan Town Clerk
