

**RESOLUTION NO. 2018- 01 - 02**

**A RESOLUTION OF THE MAYOR AND COUNCIL OF THE TOWN OF TUSAYAN, ARIZONA, APPROVING TECHNICAL BOUNDARY ADJUSTMENTS TO THE TUSAYAN FIRE DISTRICT TO INCLUDE ALL PARTS OF CERTAIN PROPERTIES WITHIN TOWN BOUNDARIES, AT THE REQUEST OF THE ARIZONA DEPARTMENT OF TRANSPORTATION (AERONAUTICAL DIVISION) AND GRAND CANYON UNIFIED SCHOOL DISTRICT #4**

**WHEREAS**, upon the creation of the Tusayan Fire District (“TFD”), it was intended that the Grand Canyon National Park Airport, also known as Coconino County Assessor Parcel No. 502-16-001, owned by the Arizona Department of Transportation (Aeronautical Division) (“ADOT”), and that certain parcel known as Coconino County Assessor Parcel No. 502-17-027, owned by Grand Canyon Unified School District #4 (“GCUSD”), were to be included within its original boundaries; and

**WHEREAS**, it has since come to light that certain portions of those properties described above were inadvertently excluded from the legal description of TFD’s original boundaries during the process of TFD’s organization; and

**WHEREAS**, this inadvertent exclusion has resulted in some parts of these properties being within the jurisdictional boundaries of TFD and some parts of those same properties being outside of the TFD’s boundaries; and

**WHEREAS**, the Coconino County Assessor’s office does not permit any single and undivided parcel of land to be split within and without the jurisdiction of a fire district, and has required that these properties be either entirely included, or entirely excluded from TFD’s boundaries; and

**WHEREAS**, TFD proposes to correct the inadvertent exclusion of portions of these properties by specifically annexing the entire area of these properties into TFD; and

**WHEREAS**, Arizona Revised Statutes § 48-262(I) provides that this annexation may be accomplished at the written request of ADOT and GCUSD; and

**WHEREAS**, ADOT has submitted a written request to TFD to accomplish annexation into TFD of the entire area of the Grand Canyon National Park Airport, Coconino Assessor Parcel Number 502-16-011, which is more particularly identified in the legal description attached hereto as “**Exhibit A**”; and

**WHEREAS**, GCUSD has submitted a written request to TFD to accomplish annexation into TFD of the entire area of Coconino Assessor Parcel Number 502-17-027, which is more particularly identified in the legal description attached hereto as “**Exhibit B**”; and

**WHEREAS**, Arizona Revised Statutes § 48-262(I) additionally requires that where property that is proposed to be annexed into a fire district is also located within the jurisdictional boundaries of an incorporated city or town, such incorporated city or town must also approve the annexation; and

**WHEREAS**, the Grand Canyon National Park Airport and GCUSD’s Coconino Assessor Parcel Number 502-17-027 are entirely situated within the jurisdictional boundaries of the Town of Tusayan; and

WHEREAS, the annexations proposed by TFD for the Town's consideration and approval, as described herein, are merely technical adjustments to correct an inadvertent omission, and to comply with requirements of the Coconino County Assessor's office;

**RESOLUTION**

NOW THEREFORE, BE IT RESOLVED THAT THE MAYOR AND TOWN COUNCIL OF THE TOWN OF TUSAYAN HEREBY APPROVES OF THE ANNEXATION INTO, AND INCLUSION WITHIN, THE TUSAYAN FIRE DISTRICT OF THE ENTIRE AREA OF THE FOLLOWING PROPERTIES:

- (1) THE GRAND CANYON NATIONAL PARK AIRPORT, COCONINO ASSESSOR PARCEL NUMBER 502-16-011, WHICH IS MORE PARTICULARLY DESCRIBED IN THE LEGAL DESCRIPTION ATTACHED HERETO AS "EXHIBIT A"

AND

- (2) COCONINO ASSESSOR PARCEL NUMBER 502-17-027, WHICH IS MORE PARTICULARLY DESCRIBED IN THE LEGAL DESCRIPTION ATTACHED HERETO AS "EXHIBIT B,"

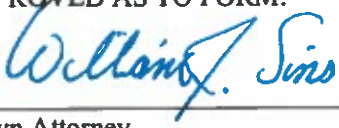

WHICH ANNEXATIONS ARE BEING UNDERTAKEN AT THE REQUEST OF THE ABOVE-NOTED LANDOWNERS.

IT IS FURTHER RESOLVED APPROVING OF THE AMENDMENT AND ADJUSTMENT OF THE TUSAYAN FIRE DISTRICT'S BOUNDARIES TO INCLUDE ALL PORTIONS OF THESE SAID PROPERTIES.

PASSED AND ADOPTED by the Mayor and the Town Council of the Town of Tusayan, Arizona this 11<sup>th</sup> day of April, 2018.

### PROPERTY INCLUSION / DISTRICT BOUNDARY CHANGE REQUEST FORM

Arizona Revised Statute § 48-262(I) states, any property owner whose land is within a county that contains a fire district and whose land is adjacent to the boundaries of the fire district may request in writing that the governing body of the fire district amend the district boundaries to include the property owner's land. If the governing body determines that the inclusion of the property will benefit the district and the property owner, the boundary change may be made by order of the governing body and is final on the recording of the governing body's order that includes a legal description of the property that is added to the district.

Request Date: 2/27/2018

Please be advised that I, Sonya Herrera, ADOT ASD Director, hereby  
Print Property Owner's Name

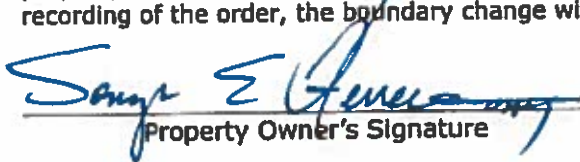

request that the Tusayan Fire District (also known as the Tusayan Fire Department), amend its boundaries to include the following property:

Property Address / Location: Grand Canyon National Park Airport

**QUITCLAIM DEED**

THIS DEED, made this 8th day of April, 2008, between the UNITED STATES OF AMERICA, acting by and through the Forest Service, Department of Agriculture, 333 Broadway SE, Albuquerque, New Mexico 87102, hereinafter called Grantor, and GRAND CANYON UNIFIED SCHOOL DISTRICT #4, 1 Boulder Street, Grand Canyon, Arizona, 86023, County of Coconino, State of Arizona, hereinafter called Grantee.

WITNESSETH: The Grantee has applied for conveyance of National Forest System lands under the Education Land Grant Act of 2000, approved on December 28, 2000, (P.L. 106-577, 114 Stat. 3068, 16 U.S.C. 479a), the provisions of which have been met.

NOW THEREFORE, the Grantor, for and in consideration of the sum of Seven Hundred Ninety Nine Dollars and 30/100 (\$799.30), the receipt whereof is hereby duly acknowledged, does hereby remise, release, and quitclaim unto the Grantee all its right, title, interest, and claim in and to the following described land, situated in the County of Coconino, State of Arizona:

**GILA AND SALT RIVER MERIDIAN**  
**T. 30 N., R. 3 E.**

secs. 23 and 24--Tract 39.

(Containing 79.93 record acres, more or less, according to the United States Department of the Interior Bureau of Land Management plat approved April 6, 2006, and officially filed April 14, 2006, attached hereto and made a part hereof.)

**EXCEPTING AND RESERVING TO THE UNITED STATES:**

1. All mineral and water rights in the land above described pursuant to the Education Land Grant Act, Sec. 202(c).
2. An exclusive easement, acting through the Forest Service, Department of Agriculture and its permittees, contractors and assigns, for existing roads, including all timber thereon, in the land above described, as depicted on Exhibit A, attached hereto.

Approved as to description, consideration and the condition of conveyance.

*Deborah Solano*

The said easement hereby excepted and reserved is for the reconstruction, maintenance, and full, free, and quiet use and enjoyment of the existing roads as they are presently located and in place over and across the above-described premises and are shown approximately on Exhibit A, attached hereto and made a part hereof, and Forest Road 605C is depicted as Easement A on Easement Survey prepared by Shepard-Wesnitzer, Inc., and recorded March 9, 2000 in Record of Survey Book 16, Pages 35 and 35A, records of Coconino County, Arizona.

The width of said easement shall be 66 feet, 33 feet on each side of the centerline for the existing unpaved roads crossing Tract 39; and 80 feet wide, 40 feet each side of centerline for Forest Road 605C as depicted as Easement A on Easement Survey prepared by Shepard-Wesnitzer, Inc., and recorded March 9, 2000 in Record of Survey Book 16, Pages 35 and 35A, records of Coconino County, Arizona, or more if necessary to accommodate cuts and fills. The boundary lines of said easement shall be prolonged or shortened to begin and end on, and conform to, the Grantee's property line.

The United States excepts and reserves unto itself, its successors and assigns all timber on said easement. The United States further excepts and reserves the right to harvest future forest crops on said easement to maintain easement safety standards.

The Grantee has the right to cross and re-cross the easement at any point and for any purpose in such manner as will not materially interfere with the United States' use of the road.

The Grantee, has the right to use the existing road for all proper and lawful purposes to serve the Grantee's property subject to compliance with the rules and regulations of the Secretary of Agriculture (36 CFR 212.5-212.10) as the same may be amended.

If the Grantee, subsequently grants the United States of America and its assigns a satisfactory easement with acceptable title thereto for a new location of said easement for the roads or a portion thereof and the Grantee, at their expense, relocates thereon the road to standards equal to or better than the existing road or segment of road and in a manner satisfactory to the Forest Supervisor of the Kaibab National Forest, then the easement for the road or segment of road presently herein excepted and reserved shall cease and terminate. In the event the easement or a portion thereof shall cease and terminate as hereinabove provided, the United States of America shall furnish the Grantee with such evidence of termination as is in accordance with existing law and regulation.

PROVIDED, that if the Regional Forester determines that the said easement, or any segment thereof, is no longer needed, for the purposes excepted and reserved, the easement shall terminate upon execution and delivery of a statement in recordable form furnished by the Regional Forester to the Grantee.

The foregoing reservation is in accordance with the provisions of the Act of February 28, 1925 (43 U.S.C. 486).

**SUBJECT TO:**

1. A private road easement [Forest Road 605C] and rights incident thereto, the easement being 80 feet wide, 40 feet each side of centerline, for Easement "A" as shown on the Easement Survey prepared by Shephard-Wesnitzer, Inc. and recorded in Record of Survey Book 16, Pages 35 and 35A, records of Coconino County, Arizona, over and across a portion of section 24, T. 30 N., R. 2 E., outstanding to the South Grand Canyon Sanitary District of Tusayan, Arizona, as set forth in that certain Private Road Easement dated February 17, 2000, recorded March 9, 2000, Coconino County, Instrument 3042100.
2. A Hazardous Substance Notification attached hereto.
3. The following Reversionary Clause in the land pursuant to the Education Land Grant Act, Sec. 202(e):

In the event the Grantee attempts to transfer title to, or control over the land to another entity, or if the lands are devoted to a use other than the use for which the lands were conveyed, title to the lands shall revert to the United States.

IN WITNESS WHEREOF, the Grantor, by its duly authorized representative has executed this deed pursuant to the delegation of authority promulgated in 7 CFR 2.

**NOTICES AND COVENANTS**

**HAZARDOUS SUBSTANCE NOTIFICATION**

(A) Pursuant to Section 120(h)(3)(A)(i) of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (CERCLA)(42 U.S.C. §9620(h)(3)(A)(i)), and based upon a complete search of agency files, the United States gives notice that an undetermined amount of hazardous materials, including pesticides and strychnine were stored on the property in and around 1992. All hazardous materials were removed prior to conveyance of the property. In 2005, it was discovered that the powder house building was constructed using creosote-treated wood. In May 2006, the building was demolished and removed from the Property. All creosote-contaminated material has been removed from the Property. In addition, debris/trash from a small solid waste dump was removed from the Property.

(B) Grantor warrants that all remedial action necessary to protect human health and the environment has been taken before the date of this conveyance. Grantor warrants that it shall take any additional response action found to be necessary after the date of this conveyance regarding hazardous substances located on the Property on the date of this conveyance.

(1) This covenant shall not apply:

(a) in any case in which Grantee, its successor(s) or assign(s), or any successor in interest to the Property or part thereof is a Potentially Responsible Party (PRP) with respect to the Property immediately prior to the date of this conveyance; OR

(b) to the extent that such additional response action or part thereof found to be necessary is the result of an act or failure to act of the Grantee, its successor(s) or assign(s), or any party in possession after the date of this conveyance that either:

(i) results in a release or threatened release of a hazardous substance that was not located on the Property on the date of this conveyance; OR

(ii) causes or exacerbates the release or threatened release of a hazardous substance the existence and location of which was known and identified to the applicable regulatory authority as of the date of this conveyance.

(2) In the event Grantee, its successor(s) or assign(s), seeks to have Grantor conduct any additional response action, and, as a condition precedent to Grantor incurring any additional cleanup obligation or related expenses, the Grantee, its successor(s) or assign(s), shall provide Grantor at least 45 days written notice of such a claim. In order for the 45-day period to commence, such notice must include credible evidence that:

(a) the associated contamination existed prior to the date of this conveyance; and

(b) the need to conduct any additional response action or part thereof was not the result of any act or failure to act by the Grantee, its successor(s) or assign(s), or any party in possession.

(C) Grantor reserves a right of access to all portions of the Property for environmental investigation, remediation or other corrective action. This reservation includes the right of access to and use of available utilities at reasonable cost to Grantor. These rights shall be exercisable in any case in which a remedial action, response action or corrective action is found to be necessary after the date of this conveyance, or in which access is necessary to carry out a remedial action, response action, or corrective action on adjoining property. Pursuant to this reservation, the United States of America, and its respective officers, agents, employees, contractors and subcontractors shall have the right (upon reasonable advance written notice to the record title owner) to enter upon the Property and conduct investigations and surveys, to include drilling, test-pitting, borings, data and records compilation and other activities related to environmental investigation, and to carry out remedial or removal actions as required or necessary, including but not limited to the installation and operation of monitoring wells, pumping wells, and treatment facilities. Any such entry, including such activities, responses or remedial actions, shall be coordinated with record title owner and shall be performed in a manner that minimizes interruption with activities of authorized occupants.

### **3. NOTICE REGARDING LEAD-BASED PAINT (LBP)**

(A) Every purchaser of any interest in real property on which a building was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to converting the property to a residential dwelling.

### **4. ASBESTOS CONTAINING MATERIALS (ACM)**

(A) Except for the statements made above in paragraphs (A) and (B) in the section titled "Hazardous Substance Notification," no warranties either express or implied are given with regard to the condition of the property including, without limitation, whether the property does or does not contain asbestos or is or is not safe for a particular purpose. The failure of any bidder to inspect, or to be fully informed as to the condition of all or any portion of the property offered, will not constitute grounds for any claim or demand for adjustment or withdrawal of a bid or offer after its opening or tender.

(B) The description of the property set forth in the Invitation for Bids and any other information provided therein with respect to said property is based on the best information available to the Grantor and is believed to be correct, but an error or omission, including but not limited to the omission of any information available to the agency having custody over the property and/or any other Federal agency, shall not constitute grounds or reason for nonperformance of the contract of sale, or any claim by the Grantee against the Grantor including, without limitation, any claim for allowance, refund, or deduction from the purchase price.

(C) Grantee hereby agrees to comply with any and all applicable Federal, State, and local laws relating to the management of lead-based paint and asbestos-containing material associated with the property, including, but not limited to, any such laws relating to the mitigation, abatement, remediation, cleanup, renovation, demolition, and disposal of lead-based paint and asbestos-containing building material. Accordingly, Grantee hereby agrees to indemnify, release, defend, and hold harmless the United States, its agencies, employees, agents, assigns, and successors from and against any liability, judgment, claim, penalty, fine, or other adverse action (whether legal or equitable in nature, and including without limitation, court costs and attorneys' fees) brought against the United States after the date of this agreement by an person or entity under any Federal, State, or local law, including, but not limited to environmental and tort laws, with respect to any lead-based paint and/or asbestos-containing building material associated with the property. This covenant to indemnify, release, defend, and hold harmless the United States shall survive the subsequent conveyance of all or any portion of the property to any person and shall be construed as running with the real property, and may be enforced by the United States in a court of competent jurisdiction.
